The upcoming events for May and June are listed on pages 7 through 9. The Chapter has several events coming up with our main event on Sunday May 28th. The **XXXV Ride for Freedom** is an important event for the Chapter, and we’ll need memberships support to make this event a success. Navy LTJG Porter Halyburton will be the guest speaker at the POW/MIA Recognition Day ceremony on September 15th. LTJG Halyburton was shot down over North Vietnam on his 76th mission and listed as killed in action. One-and-a-half years later he was found to be alive and a prisoner of war. Halyburton was held captive for more than seven years. **Reflections on Captivity**, is a collection of fifty short stories about this young naval officer’s experiences as a POW in North Vietnam. Recommend members get a copy of his book and bring it to the ceremony for an official autograph by LTJG Halyburton.

The Covington Scholarship Committee has awarded the Linda J. Smith-Cope Scholarship to Covington High School Student Micah Stoneciper. Ms. Stoneciper will continue her education at Purdue University in Food Science at the College Agriculture in West Lafayette. The Chapter will issue a \$1,000 check to Purdue University to help Ms. Stoneciper with her college expenses. I thank the Covington Scholarship Committee for a job well done. See page 5 of the newsletter.

Happy Birthday to all

Reflections on Captivity
By Porter Alexander Halyburton

On October 17, 1965 Lt. (jg) Halyburton, USN, was shot down over North Vietnam. He was held as a POW for over seven years. He was released February 12, 1973. Halyburton served in the U.S. Navy for twenty years, retiring in 1984 as Commander. He spent another 20 years on the faculty of the Naval War College retiring in 2006.

In his book, **Reflections on Captivity**, he tells many stories of the pain and torture that POWs endured and how they were able to cope. He discusses the ‘tap cope’ as an important means of communication and many ways they were able to maintain mental and physical fitness. Memorizing names and dates of those captured. Competition in doing deep knee bends, sit-ups and push-ups. Record holders doing 3,000 sit-ups, 2,250 push-ups, and 7,000 deep knee bends. Halyburton was confident he could do 10,000 but the problem was there wasn’t enough time from the time of door closing to opening the next morning.

We are honored to have Commander Halyburton as the keynote speaker for the 2023 POW Recognition Day ceremonies, September 14 and 15. All chapter members are encouraged to attend this event. Mark your calendars NOW.

Thanks gentlemen for going and representing the Chapter.

Our Rolling Thunder® Indiana State Liaison continues our Chapter's POW/MIA Mission while on vacation. Alex dropped by DOC's Bar on Tybee Island to have a few glasses of Apple Juice. While Alex was sipping his Apple juice, he approached the owner of the facility and presented him with a POW/MIA flag to display in his facility. The owner proudly accepted the flag and is now hanging in DOC's Bar.

Kyle Jobin went to the Marathon gas station at 56th & Shadeland for a pack of cigarettes. One person saw four people surrounding him and his car. That witness did not have a cell phone, so he went to find help. By the time he found a police officer and returned to the gas station, Jobin was slumped over his steering wheel. He had been shot in the head. Proceeds from the poker run will benefit the Kyle Jobin Memorial Scholarship Fund.

Rolling Thunder®, Inc
Indiana Ride for Freedom XXXV
May 28, 2023

The planning committee has been working on our XXXV Ride for Freedom event that will take place on Sunday May 28th. The Ride for Freedom is one of our CORE events for the year and we will need maximum participation from the membership to make the event successful.

Member of the planning committee met with the staff from of the Veterans National Memorial Shrine and Museum (VNMS) located in Fort Wayne Indiana to see if it would be possible for the Chapter to use this venue for their Ride for Freedom destination.

The staff was very accommodating and has reserved the venue for the Chapter to use. The VNMS has a 3/4 replica of the Vietnam Veterans Memorial Wall that's located in Washington DC. The venue is located on 40 acres of land and has several sites to see to include a POW Watch Tower, War History Museum and other memorials throughout the property.

The War History Museum is a new facility and scheduled to be dedicated on May 27th. The new Museum will be available to Rolling Thunder and guest to tour on Sunday May 28th. They also have a nice Pavilion that will be available to the Chapter in case of bad weather.

The planning committee continues to work on the details for the event and should be completed by April. We will need everyone's support to help advertise the event so we'll have a good crowd for the ceremonies that will take place at the Wall. This will also be a good opportunity to invite guest that haven't been able to travel to Washington DC to see the wall. The mode of transportation is not the most important thing. Its more important to be at the Veterans National Memorial Shrine and Museum to honor our Fallen and to remember those that are still Unaccounted for Nation-Wide. Let the guest know that it doesn't matter whether they Ride, or Drive, just be there to Honor or Fallen and those that are still missing.

Indy 1500 Gun & Blade Show June 2-4, 2023

The Chapter has purchased an AR 5.56 Patriot Rifle and accessories to raffle off at the June 1500 Gun and Blade show. The tickets will be \$10.00 each and only 1,000 tickets will be sold. The accessories include a Sig Sauer Optic, 2 boxes of ammunition, and a carrying case for the rifle.

Tickets will be available at the May Chapter meeting. This will be a good opportunity for the Chapter to make some money to help keep our mission going. We will need the memberships support in advertising the rifle and helping to sell tickets. See the rifle specifications on next two pages.
